WORK EXPERIENCE

Content Creator, The Purple Movement Jun 2025 – Present

- Developed promotional campaigns across diverse channels to enhance brand visibility for FAYA:80.
- Member of the creative team and the mascot team.
- Managed multiple projects simultaneously while adhering to strict deadlines.

μLearn Intern Current

- Current Interest Group Lead of the Comics team in μLearn.
- Helps and manages peers to connect and learn through a reward-based system.

μComics

- Contributing innovative ideas and solutions to actively enhance team performance and outcomes.

PROJECTS

Eco-Drive (JS, Reinforcement Learning)
Created a mini project for EV route optimization considering charging station availability and energy consumption using DDQN; designed a clean desktop-first interface focusing on smooth user experience.

Foodie-Meta (React, HTML)
Tracked expiring foods and suggested recipes. A first-of-its-kind system combining smart food inventory management, intelligent medicine scheduling, and predictive behavior analytics tailored for households, elderly users, and small-scale healthcare and food businesses.

Angry Birds, Flappy Bird (Demo) (Unity)
Developed clone games with basic features using Unity; familiarized with Scenes, Game Objects, Components, Hierarchy Window, Inspector Window, Project Window, game physics, and prefabs.

Unreal Projects (Unreal Engine 5)
Created a basic door interaction system using blueprints; familiarized with Trigger box, Timeline Nodes, Lerp, Bool variables, basic meshes, and colliders.

μComics (Creative Work)
Currently developing a monthly comic showcasing Kerala's diversity, traditions, and folklores.

ADDITIONAL ACTIVITIES

- Participated in Electruino, a hands-on Arduino with IoT workshop organized by CSI SCT SB.
- Participated in Hacktopia, a 24-hour offline hackathon by CSI SCT SB and ZACKARIYA Solutions.
- Member of μLearn initiated by G-Tech.
- Member of μLearn SCTCE Execom.
- Member of Computer Society of India (CSI) SCT SB.
- NSS Volunteer at Higher Secondary School level.

CERTIFICATIONS

- Python and AI Bootcamp – Devtown
- Course Completion, NLP – Infosys Springboard
- Introduction to AIML – NPTEL
- Certificate of Completion, Problem Solving and Innovation – Wadhwani Foundation
